

**ABOUT US:**

The Zarlengo Foundation Learning Evaluation Center at Havern School opened its doors in the fall of 2016. Our team offers quality educational, speech language and occupational therapy testing for children and adolescents in the greater Denver metropolitan area. We provide comprehensive assessments to address a wide-range of learning needs. For additional information about the Learning Evaluation Center and Havern School, visit our website at [www.havernschool.org](http://www.havernschool.org).

**SPECIFIC POSITION AVAILABLE:**

This position is for a contract psychologist to provide psychoeducational assessments for children and adolescents primarily ages 4-18 in the Metro-Denver area. The psychologist will have the opportunity to work alongside our highly-skilled multidisciplinary evaluation team of psychologists, speech/language pathologists and occupational therapists. Scheduling is flexible.

**ESSENTIAL FUNCTION OF POSITION:**

The Psychologist will provide parent consultations, psychological assessments and a written evaluation report as part of the Zarlengo Foundation Learning Evaluation Center's multidisciplinary team.

**POSITION REQUIREMENTS:**

- The Psychologist shall have a Master's or Doctorate degree through an accredited psychology program, including School, Clinical or Neuropsychology. Will provide clinical supervision for post-docs seeking licensure for highly-qualified candidates.
- Minimum two years of experience administering, interpreting and writing psychoeducational assessments.
- Must have experience with a wide-range of psychological assessments (cognitive, academic, social/emotional and adaptive) to evaluate for learning disabilities, ADHD, affective disorders, and/or autism spectrum disorders.
- Strong clinical diagnostic skills using the DSM-5 are also required.
- Written reports must be thorough and uniquely tailored to individual clients by including a comprehensive analysis and a list of recommendations for home and school.
- Excellent written and spoken communication skills.
- Strong team collaboration skills..

**LICENSURE:**

Currently licensed or license eligible in the state of Colorado.

**PLEASE PROVIDE:**

- Curriculum Vitae (please include your current license number).
- Availability.
- If not included in your Curriculum Vitae, please provide a list of psychological/neuropsychological assessments that you are competent with administering, scoring and interpreting.
